

**QUESTION BANK (50 marks)**

**CLASS-II COMPUTER HALF YEARLY**

**CHAPTER -1 PARTS OF A COMPUTER**

Q1. Choose the correct option for each of the following.

(1 mark each)

a) Which of this is used to click and drag objects on monitor?

1. Keyboard
2. Mouse
3. Headphone

b) Which of this is used to print information?

1. Keyboard
2. Printer
3. CPU

c) Which of this is used to record different sounds?

1. Microphone
2. Speakers
3. Mouse

d) Which of this is a type of monitor?

1. Cathode Ray Tube
2. Cabinet
3. Dot Matrix

e) Which of this is a type of output device?

1. Keyboard
2. Mouse
3. Speakers

f) Which of this is a type of input device?

1. Monitor
2. Printer
3. Mouse

g) Which of this is used to get printouts?

1. Printer
2. Mouse
3. Microphone

h) Which of this is called the brain of the computer?

1. UPS
2. CPU
3. Monitor

i) Which of this looks like a T.V screen?

1. CPU
2. Monitor
3. Cabinet

j) What is the full form of VDU?

1. Visual Display Unit
2. Video Disc Unit
3. Virtual Display Unit

Q2. Match the following:

(1 mark each)

A

Headphone

Visual Display Unit

Mouse

CPU

Printouts

CRT

TFT

Printer

B

Input device

Brain

Output device

VDU

Cathode Ray Tube

Thin Film Transistor

Dot matrix

Hardcopy

Q3. Fill in the blanks with appropriate words: (1 mark each)

Headphones	brain	output	Keyboard	Monitor
mouse	mouse pad	buttons	printer	Cabinet

- a) ..... help us listen to the sound coming from the computer.
- b) Printer is an ..... device.
- c) The CPU is called the ..... of the computer.
- d) ..... looks like a T.V screen.
- e) ..... is an input device.
- f) A mouse should be kept on a .....
- g) A ..... helps us to get printouts.
- h) ..... contains the CPU.
- i) We can drag objects with the help of a .....
- j) A mouse can have two or three .....

Q4. State whether the following statements are true (T) or false (F). (1 mark each)

- a) A mouse is an output device.
- b) All keyboards have the same number of keys.
- c) A mouse can have two or three buttons.
- d) We can drag objects with the help of a mouse.
- e) Cabinet contains the brain of the computer.

Q5. Answer the following questions in one word. (1 mark each)

- a) Which device can we use to listen to music without disturbing others?  
.....
- b) Which part of the computer looks like a TV screen?  
.....
- c) What does CRT stand for?  
.....
- d) What does TFT stand for?  
.....
- e) Name one input device.  
.....
- f) Name one output device.  
.....

Q6. Answer the following questions in detail. (2marks each)

- a) How many buttons does a mouse have?  
.....
- b) Which part of a computer is also called the VDU?  
.....

- c) What is a keyboard? Are all keyboards the same?  
.....
- d) How many types of monitors are there? Name them.  
.....
- e) How many types of keys does a keyboard have? Name them.  
.....

## CHAPTER -2 USES OF COMPUTER

Q1. Choose the correct option for each of the following. (1 mark each)

i) Which part of the computer is used to type numbers on the computer?

- a) Keyboard
- b) Speaker
- c) Headphone

ii) Which of these cannot be done on computer?

- a) Solving sums
- b) Playing games
- c) Taking bath

iii) Which of these is used to listen to music?

- a) Microphone
- b) Headphones
- c) Mouse

iv) Which of these is used to write letters?

- a) TV
- b) Computer
- c) AC

v) Who uses computer to study reports of their patients?

- a) Teacher
- b) Doctor
- c) Driver

vi) Which part of the computer helps us to draw pictures on a computer?

- a) Cabinet
- b) CPU
- c) Mouse

Q2. Match the following: (1 mark each)

- |   |   |
|---|---|
| <p>A</p> <p>Sound comes out of me</p> <p>I display the game being played</p> <p>Helps in adding numbers</p> <p>Used in playing games on computer</p> <p>The place where teachers use me</p> | <p>B</p> <p>School</p> <p>Computer</p> <p>Monitor</p> <p>Mouse</p> <p>Speaker</p> |
|---|---|

Q3. Fill in the blanks using the words given below. (1 mark each)

Homes      cartoons      smart      colour      records

- a) Computers are .....machines used for different purpose.
- b) Computers are used to keep .....at different places.
- c) We can watch.....on computer.
- d) We use computers in our ....., offices, malls, hospitals etc.
- e) We can ..... the picture by clicking on the mouse.

Q4. State whether the following statements are True (T) or False (F). (1mark each)

- a) We can draw pictures with the help of a computer.
- b) We cannot listen to music on a computer.
- c) We can play many games on a computer.
- d) A computer cannot solve sums.
- e) A computer has only one use.

Q5. Answer the following questions in one word. (1 mark each)

- a) Can we solve sums on computer?  
.....
- b) Can we listen to music on a computer?

- .....
- c) Which part of the computer do we use to draw pictures?  
.....
- d) Where we can see the game being played on a computer?  
.....
- e) Name a game that we can play on computer.  
.....
- f) Does a computer make mistakes while solving sums?  
.....
- g) Name a place where computer is used.  
.....

Q6. Answer the following questions in detail. (2 marks each)

- a) What is the use of computer in schools?  
.....
- b) How can we watch movies on a computer?  
.....
- c) How are computers helpful in banks?  
.....
- d) What is used to draw pictures on a computer and where we can see them?  
.....
- e) Can we write a story on a computer? If yes, then how?  
.....

### Chapter-5 Introduction to Paint

Q1. Choose the correct option for each of the following (1 mark each)

- a) Which option is used to select background colour in Paint?
1. Color
  2. Color 2
  3. Color 4
- b) What is the big white area that is used for drawing pictures called?
1. Ribbon
  2. Drawing Area
  3. Title bar
- c) Which option is used to select the thickness of the line in Paint?
1. Size
  2. Color

3. Paint

d) To start Paint, we begin by clicking on which button?

1. Start

2. Paint

3. Accessories

e) Which of this is not a part of MS Paint window?

1. Title bar

2. Drawing Area

3. Mouse

f) Which of this tool is used to draw lines and curves?

1. Pencil tool

2. Brushes tool

3. Ribbon

g) Which of the following program is used to draw and colour pictures on computer?

1. MS Paint

2. MS Word

3. MS Excel

h) Which option is used to select the foreground colour?

1. Color 1

2. Color 2

3. Color 3

i) Which component of MS Paint contains various tools and commands?

1. Ribbon

2. Drawing Area

3. Title bar

j) Which group we use to choose the colours in Paint?

1. Tools group

2. Colors group

3. Title bar

k) What is the keyboard shortcut for saving a file?

1. Ctrl + N

2. Ctrl + S

3. Ctrl + D

Q2. Fill in the blanks using the correct words:

(1 mark each)

Drawing Area	Title bar	groups	clicking	color 1	same
brushes tool	Paint button		right- clicking	color 2	open

- a) We use .....to draw lines and curves.
- b) The ribbon contains various .....
