COMPREHENSION

Read the following story and answer the questions that follow.

There was a birthday party in the forest. It was the birthday of Billy, the rabbit. All the animals were invited to the party. Billy's mother had brought cakes, nuts, cookies, buns, carrots and sweets for everyone. The squirrels, parrots, deer, foxes, monkeys, elephants, bears and lions were all there. Billy's mother quickly sent a fox to get some more things. He came back with sugarcane for the elephants, honey for the bears and bananas for the monkeys. The lions were happy to eat the buns and cakes. The animals played hide-and-seek in the forest and sang songs. Billy had a wonderful party on his birthday!
